

Quick Order for Invitrogen eStores Catalog

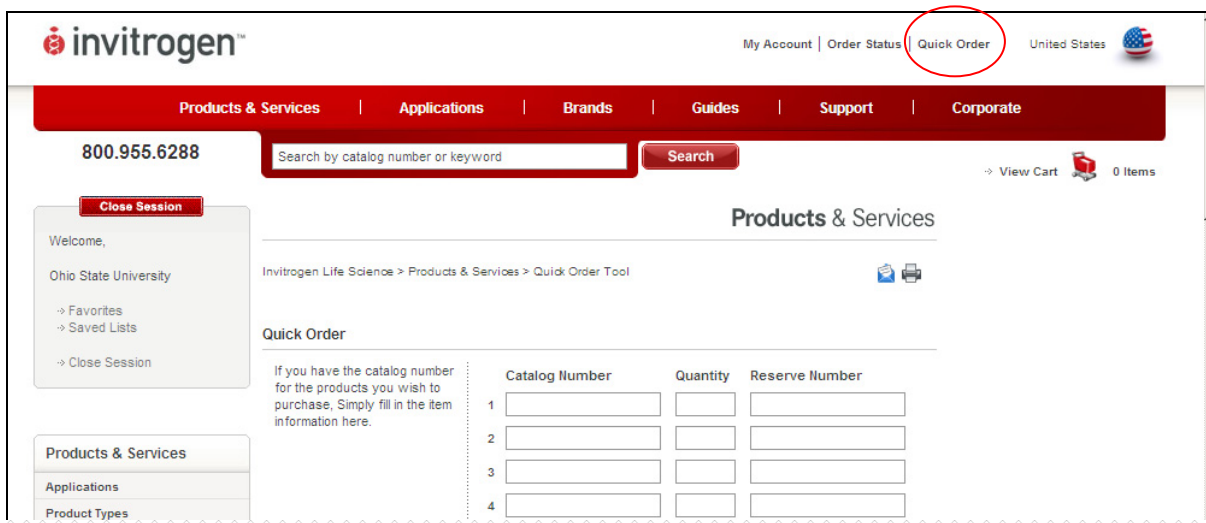

The following steps will guide a Requisitioner to place a quick order through Invitrogen eStores Catalog.

1. **Access the Invitrogen Catalog** <http://ibuy.osu.edu/estores>
 - a. Select the **[Supplier Websites]** tab.
 - b. Select **Invitrogen**.

2. Invitrogen Store Log In

- a. Select **[Quick Order]** from the upper right hand corner.
- b. Input up to twenty item numbers and their quantities on a single order.

More Information

Reserve numbers are assigned to orders for back-ordered product and are only needed if the customer has been provided that number by an Invitrogen Sales Representative.

- c. Click on the **[Add to Cart]** button at the bottom of the Quick Order page to finish the order and complete the check-out process.
